1	As the owner of Broome Cycles i feel this plan is fantastic and will help in any way we can. This is a great way for Broome to promote a healthy, active, social community, and will also provide tourists another fun outdoor activity	8/3/2017 11:11 AM
2	separate submission	7/30/2017 10:29 AM
3	there appears to be a big focus on mountain biking which is great but possibly represents the views of who was at the meetings. i believe that there needs to be more thought given to the young, growing and facility poor broome north suburb as this will be an area that requires things for young people to do in the future. it would be good to see a proper oval there for footy or cricket with nets, and even a pavilion which could be a real community focal point in this area. this is something that is missing there and it could be used in a myriad of ways.	7/17/2017 1:51 PM
4	native plants and shade trees, improve visual amenity and access along frederick st in first stage, consider dust management for areas waiting next stage development.	7/14/2017 6:39 AM
5	I don't know if the shire is planning to add more skate facilities in its upcoming developments, but it would be wonderful if more could be done in that area, especially for the bigger kids and teenagers, within this area or at town beach.	7/11/2017 8:56 PM
6	Bike Riders love Broome, Numbers are big and all age groups, do it soon ok.	7/11/2017 3:43 PM
7	Possible fencing along Boulevard and Park connection to only allow access at rear and front of Boulevard as loading truck use that road often. Possible hazard with kids using it as a short cut.	7/10/2017 6:44 PM
8	Great idea !	7/9/2017 10:26 PM
9	I'm not happy for my rates increasing & services cut from my home yet money is available to waste on some place for kids to hang out together in gangs. I wouldn't feel safe taking my children there. Have you factored in the cost of replacing everything that gets burnt down? You are welcoming antisocial behaviour and paying for it with ratepayers money.	7/9/2017 8:29 PM
10	Great idea. Worked with group that was involved with the trails around Mundaring and Kalamunda, WA, and it has done alot to revitalise the area and feel it would be really good for the local area,. Will be attractive to people of all ages.	7/9/2017 7:30 PM
11	I would like to see a new skate park added to the site as the current one is too small for the amount of people who use it. One like the skate park in the Fremantle Youth precinct is ideal as caters for all ages and skill level. I am also supportive of a Parkour area as a great gross motor and sensory activity for older children who have grown out of the traditional playgrounds. Otherwise it looks fantastic.	7/8/2017 9:11 PM
12	I think the proposed upgrades to Town Beach, Cable Beach and adjacent the Boulevard are Great Ideas. I also believe the Frederick St upgrade could include an off leash dog park. If done correctly it would encourage responsible dog owners to interact together and socialise their pets in a friendly area other than at the beach, therefore reducing some of the issues faced currently at the beach. I would love to be involved in this as I have a great reputation in Dog Management at an interstate Council and helped implement some successful strategies.	7/8/2017 5:35 PM
13	Place lots of lights and security cameras or have it regularly patrolled.	7/8/2017 5:52 AM
14	Would be good to also use site for xtreme water park in the season, currently xtreme water park operates in summer in perth could relocate to broome in winter.	7/7/2017 8:57 PM
