1. Discussion Items

a) Tyre Recycling

Previous Action items

- Both Wyndham & Halls Creek shires to advise the actual number of tyres on each site – Outstanding
- Approach Derby Shire to ask if they would be interested in joining the processing of the tyres rather than storing them on site. – Indicated an interest

New business

- SOB want to send at least 10,000 tyres to Perth for recycling. They are currently developing a RFQ.

New Action items

- Each shire to let SOB know quantities of tyres and their response if they will send tyres to Broome, to be part of this initial shipment to Perth.

b) Liquid Waste Management

New business

- SDWK are currently reviewing their fees and charges.
- SWEK are looking at putting in a similar facility to Broome
- SOB is looking at getting a process engineer to review their operation and maintenance program. This information

New Action items

- SOB to share their review through the TAG.

c) Domestic Bin collection

Previous Action items

- Advise Halls Creek Shire of who is the gas contractor in Broome to remove the gas. - Outstanding
- Broome Shire is to check if the bins are weighed when collected by Toxfree. - Outstanding

New business

- SDWK are currently reviewing their fees and charges.
- SOB currently doing an audit of bin chips/correlation of households
- It was discussed that a bin replacement time of 15yrs is valid.

New Action items

- SOB to find out if the bin chips record the bin volume.
