RESOLUTION:**Moved: Cr C Mitchell****Seconded: Cr P Matsumoto****That the Shire of Broome Annual Report for the financial year ended 30 June 2018 be received.****CARRIED****5. GENERAL BUSINESS**

The following question was received from Jael Johnston at the meeting:

Are the Shire of Broome Councillors aware that residents/ratepayers are unhappy that the Shire of Broome has refused to involve or consult Broome local residents and community not associated with groups like NBY or the Broome Historical Society about the Town Beach Development? The last time the general community was consulted was in 2014 and that was only to gather broad community aspirations for future development – no specifics or details were available. I went to the information session held at Town Beach and later met with the Project Officer to ask that local residents be given at least one opportunity to provide input but this was, refused. My family lives directly opposite the development, why has the Shire of Broome refused my suggestion that the local community be consulted? Why wouldn't the SoB welcome community input for major projects in Broome that affect areas that many locals are very fond of?

Response provided by the Chief Executive Officer:

The Old Broome Development Strategy was adopted by Council in 2012 and at that time external workshops and community consultation was undertaken. Further consultation has been undertaken for the nature play areas and the basketball court through the Youth Advisory Council. Information sessions have also been held at the Chinatown Christmas Trails event in December and further sessions will be held in the new year, including at the Australia Day event held at Town Beach.

Further response provided by the Shire President:

The Town Beach project is driven by community wants and needs as opposed to primarily tourism so I apologise that you feel like you have been left out of this process. The elected members are here for the community to ask questions and raise issues, especially where there is a perception that you are not being heard. All councillors' contact details are

available on the Shire's website and I urge you to contact myself or any of the councillors at any time.

6. MEETING CLOSURE
