DISCLAIMER

The purpose of Council Meetings is to discuss, and where possible, make resolutions about items appearing on the agenda. Whilst Council has the power to resolve such items and may in fact, appear to have done so at the meeting, no person should rely on or act on the basis of such decision or on any advice or information provided by a Member or Officer, or on the content of any discussion occurring, during the course of the meeting.

Persons should be aware that the provisions of the Local Government Act 1995 (Section 5.25 (e)) establish procedures for revocation or rescission of a Council decision. No person should rely on the decisions made by Council until formal advice of the Council decision is received by that person. The Shire of Broome expressly disclaims liability for any loss or damage suffered by any person as a result of relying on or acting on the basis of any resolution of Council, or any advice or information provided by a Member or Officer, or the content of any discussion occurring, during the course of the Council meeting.

Should you require this document in an alternative format please contact us.

NOTICE OF MEETING

Dear Committee Member,

The next Audit and Risk Committee of the Shire of Broome will be held on Tuesday, 16 October 2018 in the Committee Room, Corner Weld and Haas Streets, Broome, commencing at 3.00pm.

Regards

A NUGENT

Acting Chief Executive Officer

12/10/2018

Chairperson......Date......

MINUTES OF THE AUDIT AND RISK COMMITTEE MEETING OF THE SHIRE OF BROOME, HELD IN THE COMMITTEE ROOM, CORNER WELD AND HAAS STREETS, BROOME, ON TUESDAY 16 OCTOBER 2018, COMMENCING AT 3.00PM.

As Cr Tracey was the only Councillor in attendance, it was established that after 30 minutes there was no quorum and the meeting was adjourned in accordance with Regulation 8 of the Local Government (Administration) Regulations 1996 as follows:

8. No quorum, procedure if (Act s. 5.25(1)(c))

If a quorum has not been established within the 30 minutes after a council or committee meeting is due to begin then the meeting can be adjourned —

- in the case of a council, by the mayor or president or if the mayor or president is not present at the meeting, by the deputy mayor or deputy president; or
- (b) in the case of a committee, by the presiding member of the committee or if the presiding member is not present at the meeting, by the deputy presiding member; or
- (c) if no person referred to in paragraph (a) or (b), as the case requires, is present at the meeting, by a majority of members present; or
- (d) if only one member is present, by that member; or
- (e) if no member is present or if no member other than the CEO is present, by the CEO or a person authorised by the CEO.

1. OFFICIAL OPENING (22 OCTOBER 2018)

The Chairperson welcomed Councillors and Officers and declared the meeting open at 3.01pm.

2. ATTENDANCE AND APOLOGIES

Attendance: Cr C Mitchell Chairperson

Cr H Tracey

Leave of Absence: Cr D Male

Apologies: Cr B Rudeforth

Officers: Ms A Nugent Acting Chief Executive Officer

Moved: Cr C Mitchell Seconded: Cr H Tracey

That the Minutes of the Audit and Risk Committee held on 15 May 2018, as published and circulated, be confirmed as a true and accurate record of that meeting.

CARRIED UNANIMOUSLY 2/0

5. REPORTS OF OFFICERS

5.1 ANNUAL FINANCIAL REPORT & AUDIT REPORT 2017/2018

LOCATION/ADDRESS: Nil
APPLICANT: Nil
FILE: FRE02

AUTHOR: Manager Financial Services

CONTRIBUTOR/S:

RESPONSIBLE OFFICER: Director Corporate Services

DISCLOSURE OF INTEREST: Nil

DATE OF REPORT: 9 October 2018

SUMMARY: The Audit and Risk Committee is required to consider and recommend to Council, the adoption of the annual financial report, examine the audit and management reports, and review the report prepared by the Chief Executive Officer.

BACKGROUND

Previous Considerations

Nil.

Pursuant to Section 7.9 of the Local Government Act 1995 (LGA), an Auditor is required to examine the accounts and annual financial report submitted by a local government for audit. The Auditor is also required, by 31 December following the financial year to which the accounts and report relate, to prepare a report thereon and forward a copy of that report to:

- (a) Mayor or President; and
- (b) The Chief Executive Officer; and
- (c) The Minister.

Furthermore, in accordance with Regulation 10(4) of the Local Government (Audit) Regulations 1996 (Audit Regulations), where it is considered appropriate to do so, the Auditor may prepare a Management Report to accompany the Auditor's Report, which is also to be forwarded to the persons specified in Section 7.9 of the LGA.

On finalisation of the Shire's 2017/2018 final audit visit, the Auditors presented their initial findings to the Audit and Risk Committee (the Committee) for consideration at an informal briefing session held Wednesday 14 September 2018, which was attended by members of the Committee.

The Committee is required to examine the reports of the Auditor after receiving a report from the Chief Executive Officer (CEO) on the matters reported and:

- Determine if any matters raised require action to be taken by the local government; and
- Ensure that appropriate action is taken in respect of those matters.

| ChairpersonDateDate. | Chai | rperson | • | | Date |
|----------------------|------|---------|---|--|------|
|----------------------|------|---------|---|--|------|

The Committee is also required to review a report prepared by the CEO on any actions taken in respect of any matters raised in the report of the Auditor and present the report to Council for adoption. A copy of the report is to be forwarded to the Minister prior to the end of the next financial year or 6 months after the last report prepared by the Auditor is received, whichever is the latest in time.

An analysis of the 2017/2018 operating result is provided in this report and how it compares to the forecasted outcomes of the Shire's adopted Integrated Planning and Reporting Framework. As a background, the 2017/2018 Annual Financial Report discloses the results of the sixth year of implementation of the legislated Integrated Planning and Reporting Framework. The plans contained in the framework provide funding strategies to ensure Council can meet its adopted strategic objectives, while maintaining and forecasting impacts on the Shire's future financial sustainability.

The Strategic Community Plan 2017-2027 **(SCP)** was adopted at the December 2016 Ordinary Meeting of Council **(OMC)** and the Corporate Business Plan 2018-2022 **(CBP)** was adopted by Council at the December 2017 OMC. A revised 2018-2033 Long Term Financial Plan **(LTFP)** was also received by Council at the December 2017 OMC and adopted at the June 2018 OMC. The Shire's LTFP was reviewed in November 2017 to support the review of the SCP and CBP. These plans informed the 2018/2019 annual budget process.

The Shire's Infrastructure Asset Management Plan **(AMP)** was finalised and presented to Council at the December 2017 OMC and informed the 2018/2019 annual budget process. The AMP is being reviewed continuously as part of the mandated integrated planning framework review to inform the 2019/2020 annual budget process.

The Committee is requested to consider and recommend adoption of the annual financial report to Council.

COMMENT

Chief Executive Officer's Report to the Audit and Risk Committee

Following is the CEO's report to the Committee on matters arising from the audit and management reports.

Audit Report

There were no matters of statutory non-compliance reported.

Management Report

The Auditor's Management Report provides an overview of the approach undertaken in respect of the annual audit process and the associated outcomes of the audit. The Management Report also identifies any findings that, whilst generally not material in relation to the overall audit of the financial report, are considered relevant to the day to day operations of the Shire.

1. Matters Identified

There were no issues identified.

The Auditor once again provided comment on the Shire's ratios similar to that in 2016/17, in particular the Asset Sustainability Ratio and the impact of the revaluation of infrastructure assets conducted during the year ended 30 June 2015 on depreciation recognised as at 30 June 2018. The Auditor noted that this ratio has declined in the current year compared to 2016/17 and is still below the five year Regional and State average.

The concerns relating to the condition assessment and remaining useful life which contributed to the higher level of depreciation have been addressed in the revised Asset Management Plan presented to Council in December 2017. Information produced during the Asset Management Plan review was incorporated in the fair value valuation on infrastructure assets at 30 June 2018, with the effects expected to be realised in the 2018/2019 financial year.

The Auditor's comments on ratios were discussed informally during the final audit visit but were not mentioned in the Management Report, as appended to the 2017/2018 Annual Financial Report in Attachment 2 to this report.

2. Audit Adjustments

Following the presentation of the draft 2017/2018 Financial Report to the Auditor, there were no amendments required to be actioned.

3. Other Matters

There were no identified matters of fraud to report and there were no disagreements with management about significant accounting matters.

2017/2018 Operating Result

The financial year ended 30 June 2018 resulted in the following carried forward operating surplus:

| \$3,763,180 | Budgeted 2017/2018 operating surplus (as per 2018/2019 adopted |
|-------------|---|
| \$4,346,500 | annual budget) Actual 2017/2018 operating surplus at the completion of year end |
| | processing |

The surplus amounts above are exclusive of non-cash transactions such as depreciation, profit or loss on plant disposal and the effects of asset revaluation gains or losses.

The 2018/2019 Annual Budget adopted at the June 2018 OMC, included an estimated brought forward operating surplus of \$3,763,180 from 2017/2018. This comprised the following:

- \$1,599,708 Financial Assistance Grants estimated to be received in advance; and
- \$2,163,472 estimated surpluses from operating and capital projects that were anticipated to be incomplete prior to the close of the financial year as detailed in Attachment 3.

The above figures were calculated prior to the close of financial year processing. At the completion of the year ended 30 June 2018, the actual brought forward surplus has been adjusted to the final confirmed amount of \$4,346,500 which comprised as follows:

• \$1,438,384 actual amount of Financial Assistance Grants received in advance;

| ChairpersonDateDate. | Chai | rperson | • | | Date |
|----------------------|------|---------|---|--|------|
|----------------------|------|---------|---|--|------|

- \$2,188,000 confirmed amount of carryover projects previously estimated at the time of budget adoption;
- \$574,538 of net deficit (a deduction from the surplus) pertaining to additional carryover projects not anticipated at the time of budget preparation but remained incomplete by close of financial year. Income yet to be realised exceeded the expenditure committed prior to 30 June 2018 and therefore a deficit; and
- \$1,294,654 of remaining surplus available for further allocation. Factors contributing to this non-carryover surplus included but were not limited to the following:
 - \$117K savings in salaries after deducting relief staff costs;
 - \$116K savings in utilities, mainly water costs across parks and \$10K for phone costs;
 - \$117K increased interest earnings from bank deposits and unpaid rates;
 - \$86K increased BRAC Aquatic income being operational for full year;
 - \$225K of unexpected Civic Centre grant;
 - \$15K savings in legal fees mainly from Property Department; and
 - \$263K of savings in materials and contracts of around 540 accounts averaging less than \$500 each.

It is proposed that \$134,210 of the \$1,294,654 unallocated surplus funds be utilised for those activities listed in Attachment 5 which included \$120,000 for the power upgrade at Town Beach as part of the Town Beach Redevelopment Project and \$14,210 to return unspent funds to Landcorp from the 5-year Broome North Community Sponsorship Programme that were closed to retained surplus in prior years.

After deducting the \$134,210 surplus proposed above, there remains \$1,160,444 which the Officers recommend be transferred to reserves as follows:

- \$900,444 to the Public Open Space Reserve to minimise the budgetary risk of the Town Beach Redevelopment Project; and
- \$260,000 to the Building Reserve to replenish the reserve balance.

A summary of the recommended surplus allocation is as follows:

SUMMARY OF 2017/2018 Surplus

| 2017/2018 TOTAL REPORTED SURPLUS | 4,346,500 |
|--|-----------|
| | _ |
| Carry over FAGS grants received in advance | 1,438,384 |
| Carry over as per adopted budgeted (Adjusted for final 2017/2018 actuals) - Attachment 3 | 2,188,000 |
| <i>,</i> | _,, |
| Additional carry over not anticipated at the time of budget adoption - Attachment 4 | (574,538) |
| boager adoption - Andeninent 4 | (3/4,330) |
| Less: Sub-total specified carryover | 3,051,846 |
| | |
| | |
| Equals: Total Unallocated Surplus | 1,294,654 |
| Less: Recommended use of surplus funds for specific | |
| Less: Recommended use of surplus funds for specific projects or operational requirements - Attachment 5 | 134,210 |
| Less: Recommended use of surplus funds for specific | |
| Less: Recommended use of surplus funds for specific projects or operational requirements - Attachment 5 | 134,210 |
| Less: Recommended use of surplus funds for specific projects or operational requirements - Attachment 5 Equals: Remaining Surplus | 134,210 |

Building Reserve 260,000

REVALUATION OF SHIRE ASSETS (FAIR VALUE)

In accordance with regulation 17A of the Local Government (Financial Management) Regulations 1996, (FMR) the Shire must value all assets at fair value and revalue all assets every 3 years. Fair value requirements came into effect in the year ended 30 June 2013. The Shire is now in the third round of fair value revaluations with the three-year cycle recommencing in the 2015/2016 financial year. On 26 June 2018, the FMR was amended which changed the requirement to conduct annual revaluations between 3 and 5 years from the last revaluation or when there is an indication of change in value of the assets.

In 2017/2018 the Shire's Other Infrastructure assets were revalued. The revaluation resulted in a total decrement of \$20.8M which was offset against the asset revaluation reserves for each asset category.

The details of the \$20.8M decrement can be analysed as follows:

| Asset Class | Net Adjustment |
|---|------------------|
| 1. Drainage | -\$6,686,809.21 |
| 2. Other Infrastructure | \$1,831,836.56 |
| 3. Recreation Area Infrastructure | \$8,014,788.15 |
| 4. Carparks, Footpaths & Other Transport Infrastructure | \$8,261,254.21 |
| 5. Sealed Roads | -\$43,776,092.18 |
| 6. Unsealed Roads | \$11,525,057.72 |
| | |
| TOTALS | -\$20,829,964.76 |

ADJUSTMENTS TO PRIOR YEARS ANNUAL REPORTS

There were no adjustments required to prior year reports.

CONSULTATION

Nil

STATUTORY ENVIRONMENT

Local Government Act 1995

- 5.53. Annual reports
 - (1) The local government is to prepare an annual report for each financial year.
 - (2) The annual report is to contain
 - (a) a report from the mayor or president; and
 - (b) a report from the CEO; and
 - [(c), (d) deleted]
 - (e) an overview of the plan for the future of the district made in accordance with section 5.56, including major initiatives that are proposed to commence or to continue in the next financial year; and
 - (f) the financial report for the financial year; and

| ChairpersonDateDate. | Chai | rperson | • | | Date |
|----------------------|------|---------|---|--|------|
|----------------------|------|---------|---|--|------|

- (g) such information as may be prescribed in relation to the payments made to employees; and
- (h) the auditor's report prepared under section 7.9(1) or 7.12AD(1) for the financial year; and
- (ha) a matter on which a report must be made under section 29(2) of the Disability Services Act 1993; and
- (hb) details of entries made under section 5.121 during the financial year in the register of complaints, including
 - (i) the number of complaints recorded in the register of complaints;
 - (ii) how the recorded complaints were dealt with; and
 - (iii) any other details that the regulations may require;

and

(i) such other information as may be prescribed.

[Section 5.53 amended by No. 44 of 1999 s. 28(3); No. 49 of 2004 s. 42(4) and (5); No. 1 of 2007 s. 6; No. 5 of 2017 s. 7(1).]

- 5.54. Acceptance of annual reports
 - (1) Subject to subsection (2), the annual report for a financial year is to be accepted* by the local government no later than 31 December after that financial year.
 - * Absolute majority required.
 - (2) If the auditor's report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than 2 months after the auditor's report becomes available.
- 6.4. Financial report
 - (1) A local government is to prepare an annual financial report for the preceding financial year and such other financial reports as are prescribed.
 - (2) The financial report is to
 - (a) be prepared and presented in the manner and form prescribed;
 and
 - (b) contain the prescribed information.
 - (3) By 30 September following each financial year or such extended time as the Minister allows, a local government is to submit to its auditor
 - (a) the accounts of the local government, balanced up to the last day of the preceding financial year; and
 - (b) the annual financial report of the local government for the preceding financial year.
- 7.9. Audit to be conducted
 - (1) An auditor is required to examine the accounts and annual financial report submitted for audit and, by the 31 December next following the financial year to which the accounts and report relate or such later date as may be prescribed, to prepare a report thereon and forward a copy of that report to—
 - (a) the mayor or president; and
 - (b) the CEO of the local government; and
 - (c) the Minister.

- (2) Without limiting the generality of subsection (1), where the auditor considers that
 - (a) there is any error or deficiency in an account or financial report submitted for audit; or
 - (b) any money paid from, or due to, any fund or account of a local government has been or may have been misapplied to purposes not authorised by law; or
 - (c) there is a matter arising from the examination of the accounts and annual financial report that needs to be addressed by the local government, details of that error, deficiency, misapplication or matter, are to be included in the report by the auditor.
- (3) The Minister may direct the auditor of a local government to examine a particular aspect of the accounts and the annual financial report submitted for audit by that local government and to
 - (a) prepare a report thereon; and
 - (b) forward a copy of that report to the Minister, and that direction has effect according to its terms.
- (4) If the Minister considers it appropriate to do so, the Minister is to forward a copy of the report referred to in subsection (3), or part of that report, to the CEO of the local government to be dealt with under section 7.12A.
- 7.12A. Duties of local government with respect to audits
 - (1) A local government is to do everything in its power to
 - (a) assist the auditor of the local government to conduct an audit and carry out the auditor's other duties under this Act in respect of the local government; and
 - (b) ensure that audits are conducted successfully and expeditiously.
 - (2) Without limiting the generality of subsection (1), a local government is to meet with the auditor of the local government at least once in every year.
 - (3) A local government must
 - (aa) examine an audit report received by the local government; and
 - (a) determine if any matters raised by the audit report, require action to be taken by the local government; and
 - (b) ensure that appropriate action is taken in respect of those matters.
 - (4) A local government must
 - (a) prepare a report addressing any matters identified as significant by the auditor in the audit report, and stating what action the local government has taken or intends to take with respect to each of those matters; and

- (b) give a copy of that report to the Minister within 3 months after the audit report is received by the local government.
- (5) Within 14 days after a local government gives a report to the Minister under subsection (4)(b), the CEO must publish a copy of the report on the local government's official website.

Local Government (Audit) Regulations 1996

- 10. Report by auditor
 - (4) Where it is considered by the auditor to be appropriate to do so, the auditor is to prepare a management report to accompany the auditor's report and to forward a copy of the management report to the persons specified in section 7.9(1) with the auditor's report.

Local Government (Financial Management) Regulations 1996

- 17A Assets, valuation of for financial reports etc.
 - (1) In this regulation
 - **fair value**, in relation to an asset, means the fair value of the asset measured in accordance with the AAS.
 - (2) Subject to subregulation (3), the value of an asset shown in a local government's financial reports must be the fair value of the asset.
 - (3) A local government must show in each financial report
 - (a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and
 - (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government
 - (i) that are plant and equipment; and
 - (ii) that are
 - (I) land and buildings; or
 - (II) infrastructure;

and

- (c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.
- (4) A local government must revalue all assets of the local government of the classes specified in column 1 of the Table to this subregulation
 - (a) by the day specified in column 2 of the Table; and
 - (b) by the expiry of each 3 yearly interval after that day. Table

| Class of asset | Day |
|---|--------------|
| Plant and equipment | 30 June 2016 |
| Land, buildings and infrastructure for which the fair value was shown in the local government's annual financial report for the financial year ending on 30 June 2014 | 30 June 2017 |
| All other classes of asset | 30 June 2018 |

| Chair | person | Date |
|-------|--------|------|
| | | |

(5) A revaluation under subregulation (4) must be based on the value of the asset as at a time that is as close as possible to the day by which the revaluation is due.

POLICY IMPLICATIONS

2.2.2 - Materiality in Financial Reporting

2.2.7 - Significant Accounting Policies

FINANCIAL IMPLICATIONS

In terms of materiality, the unallocated surplus amount of \$1,294,654 (surplus excluding FAGS grants in advance and the committed expenditure of Attachment 3 and 4) represents a variance of 3.42% compared to original budgeted operating revenue for 2017/2018 of \$37,771,021 (excluding non-operating grants and contributions for assets and profit on sale of assets) (2016/17 - 4.04%). This is 2.42% over the adopted threshold of 1% (\$377,710) as per Policy 2.2.2 Materiality in Financial Reporting.

RISK

The audited Annual Financial Report is a key control measure used to report to Council and its stakeholders to provide assurance that all systems, processes and controls have been established by the CEO to minimise the risk of any material misstatement or loss caused by fraud or error. The audit findings indicate areas requiring improvement and management have implemented measures to review processes. The report measures Council's financial capacity to achieve its adopted strategic and operational objectives. A material variance indicates areas requiring investigation such as budget estimation/formulation, workforce management and Council's overall resource capacity to achieve its strategic objectives.

The recommendation by the Committee to Council for the adoption of the Annual Financial Report, Audit and Management Report and CEO's report is a key statutory compliance matter. Should this not be recommended for adoption, a delay in Council's adoption of the 2017/2018 Annual Report to be presented at the October 2018 OMC will result and will impact Council's ability to schedule the Annual Electors Meeting (AEM) in December as planned. This poses a high risk due to the possibility of occurring and the impact of a significant delay to major deliverables.

In regard to the proposed allocation of the 2017/2018 surplus, should the Committee make alternative recommendations, the long term financial impacts of such should be analysed to ensure there are no adverse impacts to Council's future financial sustainability and should be in line with the LTFP. In line with Council's risk ratings, the risk is assessed as extreme where the financial impact is greater than \$150,000 and the likelihood of this occurring is possible. To mitigate these risks, the report recommendations should be adopted.

STRATEGIC IMPLICATIONS

Our People Goal – Foster a community environment that is accessible, affordable, inclusive, healthy and safe:

Encourage communication.

| ChairpersonDateDate. | Chai | rperson | • | | Date |
|----------------------|------|---------|---|--|------|
|----------------------|------|---------|---|--|------|

Identify affordable services and initiatives to satisfy community needs.

Our Prosperity Goal – Create the means to enable local jobs creation and lifestyle affordability for the current and future population:

Encourage the provision of affordable land for residential, industrial, commercial and community use.

Our Organisation Goal – Continually enhance the Shire's organisational capacity to service the needs or a growing community:

Develop an organisational culture that strives for service excellence.

Review and analyse strategic and operational plans.

Manage resource allocation.

Manage staff attraction and retention.

Improve systems, processes and compliance.

VOTING REQUIREMENTS

Absolute Majority

COMMITTEE RESOLUTION: (REPORT RECOMMENDATION)

Moved: Cr H Tracey Seconded: Cr C Mitchell

That the Audit and Risk Committee recommends that Council:

- 1. Receives the Chief Executive Officer's report relating to the audit.
- 2. Receives the Audit Report and Audit Management Report dated 10 October 2018 as per Attachment 2.
- 3. Adopts the Audited Annual Financial Report for the year ended 30 June 2018 as per Attachment 1.
- 4. Allocates the net operating surplus from the 2017/2018 financial year as per Attachments 3, 4 and 5 with the balance of \$1,160,444 to be transferred to reserves as follows:
 - a) Public Open Space Reserve \$900,444
 - b) Building Reserve \$260,000.

This statement is to be read in conjunction with the accompanying notes.

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not inconsistent with the *Local Government Act 1995* and accompanying regulations.), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations. Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

THE LOCAL GOVERNMENT REPORTING ENTITY (Continued)

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 23 to these financial statements.

AUSTRALIAN ACCOUNTING STANDARDS - INCONSISTENCY Land under roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in *Australian Accounting Standard AASB 1051 Land Under Roads* and the fact *Local Government (Financial Management) Regulation 16(a)(i)* prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, *Local Government (Financial Management)* Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Shire.

2. REVENUE AND EXPENSES

| (a) | Revenue | 2018 Actual | 2017 Actual |
|-----|-------------------------------|----------------|----------------|
| | | \$ | \$ |
| | Other revenue | | |
| | Reimbursements and recoveries | 940,674 | 1,297,159 |

| Total grants, subsidies and contributions | 10,908,337 | 11,702,196 |

SIGNIFICANT ACCOUNTING POLICIES

Grants, Donations and Other Contributions

Grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over

Grants, Donations and Other Contributions (Continued) a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 19. That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current period.

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

3.

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk

Cash and cash equivalents (Continued)

of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

SIGNIFICANT ACCOUNTING POLICIES

Classification and subsequent measurement

(i) Financial assets at fair value through profit and loss Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss. Assets in this category are classified as current assets.

(ii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Shire has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets, where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

(iii) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Impairment

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current.

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Impairment (Continued)

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Shire becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Shire commits itself to either the purchase or sale of the asset (i.e. trade date accounting is a dopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or at cost.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, (if any), between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Shire no longer has any significant continual involvement in the risks and benefits associated with the asset.

All of the reserve accounts are supported by money held in financial institutions and match the amount shown as restricted cash in Note 3 to this financial report.

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside and their anticipated date of use are as follows:

| | Anticipated | |
|---|-------------|--|
| Name of Reserve | date of use | Purpose of the reserve |
| Reserves cash backed - Leave Reserve | Ongoing | To be used to fund annual and long service leave requirements. |
| Reserves cash backed - Building | Ongoing | To be used for renewal, upgrade, replacement or new building construction and associated infrastructure |
| Reserves cash backed - Public Open Space | Ongoing | To be used for renewal, upgrade, replacement or new public open space facilities and garden areas associated with buildings and other freely accessible public recreational facilities. Any contributions from developers are held in Trust. |
| Reserves cash backed - Drainage | Ongoing | To be used for the renewal, upgrade or construction of drainage services. Typically funds are from contributions made by developers. |
| Reserves cash backed - Plant | Ongoing | To be used for the renewal, upgrade or purchase of new mobile plant and engineering equipment. |
| Reserves cash backed - BRAC (Leisure Centre) | Ongoing | To be used for the construction of recreation infrastructure and facilities. |
| Reserves cash backed - Road | Ongoing | To be used for renewal, upgrade or new streets and roads. |
| Reserves cash backed - Footpath | Ongoing | To be used for renewal, upgrade or new footpaths. Typically funds are from contributions made by developers. |
| Reserves cash backed - Car Park | Ongoing | To be used for renewal, upgrade or new carparks. Typically funds are from "Cash In Lieu" payments from developers. |
| Reserves cash backed - IT & Equipment | Ongoing | To be used for renewal, upgrade or new office equipment, IT hardware and software. |
| Reserves cash backed - Refuse Site | Ongoing | To be used for the current and future costs of maintaining and closing the refuse site in accordance with operational needs and environmental guidelines. |
| Reserves cash backed - Resource Recovery Park | Ongoing | To hold funds set aside annually and any year end operational profit generated from refuse site business unit to fund: i) The future construction of a new facility; |
| | | ii) the future subsequent and ongoing costs of maintaining the site in accordance with operational requirements and environmental guidelines; or iii) the costs of future rehabilitation of the site. |
| Reserves cash backed - Restricted Cash | Ongoing | To be used for unspent grant, contribution and loan funds. |
| Reserves cash backed - Community Sponsorship | Ongoing | To hold funds remaining as at 30 June after allocation of both Annual and Ad-hoc sponsorships and external donations to be spent on both annual and ad-hoc sponsorships in accordance with the Community Sponsorship Program Policy. |
| Reserves cash backed - EDL | Ongoing | To hold funds to be spent on community projects as approved by Energy Development Limited. |
| Reserves cash backed - Kimberley Zone | Ongoing | To hold funds set aside annually to fund future projects and initiatives for the Kimberley Zone of WALGA and/or Regional Collaborative Groups. |
| Reserves cash backed - Public Art | Ongoing | To hold funds set aside annually to fund future public art projects and initiatives within the Shire. |

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

Classification and subsequent measurement

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2017-2018 Annual Financial Report Page 36

7. PROPERTY, PLANT AND EQUIPMENT (Continued)

(c) Fair Value Measurements

| Asset Class | Fair Value Hierarchy | Valuation Technique | Basis of Valuation | Date of Last Valuation | Inputs Used |
|---|-------------------------|--|-------------------------------------|---------------------------|--|
| Land and buildings | | | | | |
| Land - freehold land | 3 | Market approach using recent observable market data for similar properties | Independent registered valuer | June 2017 | Sales comparisons (level 3 inputs) |
| Land - vested in and under the control of Council | 3 | Improvements to land valued using cost approach using depreciated replacement cost | Management valuation | June 2017 | At cost |
| Buildings - non-specialised | 3 | Market approach using recent observable market data for similar properties | Independent registered valuer | June 2017 | Sales comparisons per lettable area (level 2 inputs), depreciated replacement cost per unit area and estimated useful life (Level 3 inputs) |
| Furniture and equipment | 3 | Market approach using recent observable market data for similar assets | Management valuation | June 2017 | Market price per item, adjusted for condition and comparability |
| Plant and equipment | 3 | Market Approach using recent observable market data for similar assets | Management valuation | June 2016 | Current replacement cost (market price per item) and condition assessment (level 2 inputs), residual values & estimated useful life (Level 3 inputs) |

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

(c) Fair Value Measurements

| Asset Class | Fair Value Hierarchy | Valuation Technique | Basis of Valuation | Date of Last Valuation | Inputs Used |
|--|-------------------------|--|----------------------|---------------------------|--|
| Infrastructure - Roads | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Carparks, Footpaths & Bridges | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Drainage | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Recreation Areas | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Other | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Work in Progress - Roads, F/Path & Bridges | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Work in Progress - Drainage Infrastructure | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Work in Progress - Other Infrastructure | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Work in Progress - Recreation Areas | 3 | Cost approach using depreciated replacement cost | Management valuation | June 2018 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

SHIRE OF BROOME | 23

9. FIXED ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement between mandatory revaluation dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

Revaluation

The fair value of fixed assets is determined at least every three years in accordance with the regulatory framework. At the end of each period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with Local Government (Financial Management) Regulation 17A (2) which requires property, plant and equipment to be shown at fair value.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Land under control

In accordance with Local Government (Financial Management) Regulation 16(a)(ii), the Shire was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or Regional significance

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

| | 12,933,560 | 12,516,081 |

9. FIXED ASSETS (Continued)

(b) Depreciation (Continued)

SIGNIFICANT ACCOUNTING POLICIES

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Depreciation (Continued)

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

| Depreciation rates | Estimated | Annual |
|--|-------------|----------|
| Major depreciation periods used for each class of depreciable asset are: | Useful Life | Dep'n Ra |
| Vehicles (High Use 1 year replacement program) | 4 years | 25.00% |
| Ride on Mowers | 5 years | 20.00% |
| Cars & Light Vehicles (2 to 3 replacement program) | 6.67 years | 15.00% |
| Trucks Small 2-5 tonne | 6.67 years | 15.00% |
| Trucks Medium 6-12 tonne | 8 years | 12.50% |
| Trucks Heavy >12 tonne & Medium Plant | 10 years | 10.00% |
| Plant Heavy, Graders, Scrapers, Dozers, etc | 12 years | 8.33% |
| Plant Portable (regular use) | 5 years | 20.00% |
| Plant Other (low use and/or long life) | 16 years | 6.25% |
| Computer Equipment (hardware/software) | 4 years | 25.00% |
| Furniture & Equipment | 10 years | 10.00% |

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are recognised at fair value when the Shire becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred

Financial liabilities (Continued)

to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Provision for Provision for

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at

Other long-term employee benefits (Continued)

rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

14. NOTES TO THE STATEMENT OF CASH FLOWS

Reconciliation of Cash

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Cash at the end of the reporting period is reconciled to the related items in the Statement of Financial Position as follows:

| | 2018 2018 Actual Budget | | 2017 Actual | |
|--|----------------------------|--------------|----------------|--|
| | \$ | \$ | \$ | |
| Cash and cash equivalents | 45,133,347 | 30,621,835 | 37,606,384 | |

| 0 | 23,689 |
| 298,261 | 367,367 |

SIGNIFICANT ACCOUNTING POLICIES

Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Shire, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower of the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leases (Continued)

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

|--|---------|-----------|
| Shire during the year are as follows: | \$ | \$ |
| | | |
| Short-term employee benefits | 744,067 | 900,958 |
| Post-employment benefits | 94,851 | 102,768 |
| Other long-term benefits | 9,900 | 14,667 |
| Termination benefits | 0 | 112,551 |
| | 848,818 | 1,130,944 |

Short-term employee benefits

These amounts include all salary, paid leave, fringe benefits and cash bonuses awarded to KMP except for details in respect to fees and benefits paid to elected members which may be found above.

Post-employment benefits

These amounts are the current-year's estimated cost of providing for the Shire's superannuation contributions made during the year.

Other long-term benefits

These amounts represent long service benefits accruing during the year.

Termination benefits

These amounts represent termination benefits paid to KMP.

Transactions with related parties

Transactions between related parties, and the Shire are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guaranties exist in relation to related parties at year end.

| The following transactions occurred with related parties: | 2018 | 2017 | |
|---|---------|---------|--|
| | \$ | \$ | |
| Sale of goods and services | 285,708 | 175,050 | |
| Purchase of goods and services | 80,696 | 6,139 | |

Related Parties

The Shire's main related parties are as follows:

- Key management personnel
 Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.
- ii. Entities subject to significant influence by the Shire An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

17. MAJOR LAND TRANSACTIONS

The Shire did not participate in any major land transactions during the 2017/2018 financial year.

18. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

The Shire did not participate in any trading undertakings or major trading undertakings during the 2017/2018 financial year.

Difference

There was no difference between the surplus/(deficit) 1 July 2017 brought forward position used in the 2018 audited financial report and the surplus/(deficit) carried forward position as disclosed in the 2017 audited financial report.

22. FINANCIAL RISK MANAGEMENT

The Shire's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Shire's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Shire.

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Shire held the following financial instruments at balance date:

| | Carrying | y Value | Fair Value | | |
|---------------------------|------------|------------|------------|------------|--|
| | 2018 2017 | | 2018 | 2017 | |
| | \$ | \$ | \$ | \$ | |
| Financial assets | | | | | |
| Cash and cash equivalents | 45,133,347 | 37,606,384 | 45,133,347 | 37,606,384 | |
| Receivables | 2,472,145 | 1,749,950 | 2,454,715 | 1,749,950 | |
| | 47,605,492 | 39,356,334 | 47,588,062 | 39,356,334 | |
| | | | | | |
| Financial liabilities | | | | | |
| Payables | 4,606,710 | 3,754,062 | 4,606,710 | 3,754,062 | |
| Borrowings | 2,319,238 | 2,911,980 | 2,404,836 | 3,050,194 | |
| | 6,925,948 | 6,666,042 | 7,011,546 | 6,804,256 | |

Fair value is determined as follows:

Cash and cash equivalents, receivables, payables - estimated to the carrying value which approximates net market value.

Borrowings, held to maturity investments, estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

22. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

The Shire's objective is to maximise its return on cash whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash portfolio. Council has an Investment Policy and the Policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk - the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash is subject to interest rate risk - the risk that movements in interest rates could affect returns.

Another risk associated with cash is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to the Shire.

The Shire manages these risks by diversifying its portfolio and only investing in investments authorised by Local Government (Financial Management) Regulation 19C.

| | 2018 | 2017 |
|--|---------|---------|
| Impact of a 1% ⁽¹⁾ movement in interest rates on cash | \$ | \$ |
| | | |
| - Equity | 451,333 | 376,064 |
| - Statement of Comprehensive Income | 451,333 | 376,064 |

Notes:

(1) Sensitivity percentages based on management's expectation of future possible interest rate movements.

22. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

The Shire's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk - the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. The Shire is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Shire's credit risk at balance date was:

| | 2018 | 2017 |
|--|-------|-------|
| Percentage of rates and annual charges | % | % |
| | | |
| - Current | 0.2% | 0.4% |
| - Overdue | 99.8% | 99.6% |
| | | |
| Percentage of other receivables | | |
| | | |
| - Current | 74.1% | 97.2% |
| - Overdue | 25.9% | 2.8% |

22. FINANCIAL RISK MANAGEMENT (Continued)

(c) Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of the Shire's Payables and Borrowings are set out in the Liquidity Table below:

| | Due within 1 year | Due between 1 & 5 years | Due after 5 years | Total contractual cash flows | Carrying values |
|-------------|-------------------------|-------------------------------|-------------------------|------------------------------------|-----------------|
| <u>2018</u> | \$ | \$ | \$ | \$ | \$ |
| Payables | 4,606,710 | 0 | 0 | 4,606,710 | 4,606,710 |
| Borrowings | 712,581 | 1,819,755 | 0 | 2,532,336 | 2,319,238 |
| | 5,319,291 | 1,819,755 | 0 | 7,139,046 | 6,925,948 |
| 2017 | | | | | |
| Payables | 3,754,062 | 0 | 0 | 3,754,062 | 3,754,062 |
| Borrowings | 712,581 | 2,532,336 | 0 | 3,244,917 | 2,911,980 |
| | 4,466,643 | 2,532,336 | 0 | 6,998,979 | 6,666,042 |

22. FINANCIAL RISK MANAGEMENT (Continued)

(c) Payables and borrowings (Continued)

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

| The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk: | | | | | | | | Weighted Average Effective | |
|--|---------|------------|------------|------------|------------|----------|-----------|----------------------------------|--|
| Year ended 30 June 2018 | <1 year | >1<2 years | >2<3 years | >3<4 years | >4<5 years | >5 years | Total | Interest Rate | |
| | \$ | \$ | \$ | \$ | \$ | \$ | \$ | % | |
| Borrowings | | | | | | | | | |
| Fixed rate | | | | | | | | | |

| | 10,087,604 | 355,436 | (5,461,255) | 4,981,785 |

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Shire.

Management's assessment of the new and amended pronouncements that are relevant to the Shire, applicable to future reporting periods and which have not yet been adopted are set out as follows:

| | Title | Issued / Compiled | Applicable (1) | Impact |
|-------|--|--------------------|----------------|--|
| (i) | AASB 9 Financial Instruments (incorporating AASB 2014-7 and AASB 2014-8) | December 2014 | 1 January 2018 | Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Shire, it is not anticipated the Standard will have any material effect. |
| (ii) | AASB 15 Revenue from Contracts with Customers | December 2014 | 1 January 2019 | This Standard establishes principles for entities to apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer. |
| | | | | The effect of this Standard will depend on the nature of future transactions the Shire has with those third parties it has dealings with. It may or may not be significant. |
| (iii) | AASB 16 Leases | February 2016 | 1 January 2019 | Under AASB 16 there is no longer a distinction between finance and operating leases. Lessees will now bring to account a right-to-use asset and lease liability into the statement of financial position for all leases. Effectively this means the vast majority of operating leases as defined by the current AASB 117 Leases which currently do not impact the statement of financial position will be required to be capitalised on the statement of financial position when AASB 16 is adopted. |
| | Notes: (1) Applicable to reporting periods commencing on or after | er the given date. | | Currently, operating lease payments are expensed as incurred. This will cease and will be replaced by both depreciation and interest charges. Based on the current number of operating leases held by the Shire, the impact is not expected to be significant. |

SHIRE OF BROOME | 49

| | Title | Issued / Compiled | Applicable (1) | Impact |
|------|---|-------------------|----------------|---|
| (iv) | AASB 1058 Income of Not-for-Profit Entities | December 2016 | 1 January 2019 | These standards are likely to have a significant impact on the income recognition for NFP's. Key areas for consideration are: - Assets received below fair value; - Transfers received to acquire or construct non-financial assets; - Grants received; - Prepaid rates; - Leases entered into at below market rates; and - Volunteer services. Whilst it is not possible to quantify the financial impact (or if it is material) of these key areas until the details of future transactions are known, they will all have application to the Shire's operations. |

Notes:

(1) Applicable to reporting periods commencing on or after the given date.

Adoption of New and Revised Accounting Standards

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

Whilst many reflected consequential changes associate with the amendment of existing standards, the only new standard with material application is as follows:

 AASB 2016-4 Amendments to Australian Accounting Standards - Recoverable Amount of Non-Cash-Generating Specialised Assets of Notfor-Profit Entities 1 January 2017

 (ii) AASB 2016-7 Amendments to Accounting Standards - Deferral of AASB 15 for Not-for-Profit Entities 1 January 2017

SHIRE OF BROOME | 50

25. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statement

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution

g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into or of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows

ents based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly

nents based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observ market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or m significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depe on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or mo the following valuation approaches:

Valuation techniques that use prices and other relevant infor generated by market transactions for identical or similar assets or

Income approach
Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value

on techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of obseinputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on act transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

In accordance with Australian Accounting Standards the Shire's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standar

For non-cash generating specialised assets that are measured under the revaluation model .such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regulatory to ensure the carrying value does not differ materially from that which would be deterusing fair value at the ends of the reporting period.

26. ACTIVITIES/PROGRAMS

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

| PROGRAM NAME GOVERNANCE | OBJECTIVE To provide a decision making process for the efficient allocation of scarce resources. | ACTIVITIES Administration and operation of facilities and services to members of council; other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific council services. |
|-----------------------------|--|---|
| GENERAL PURPOSE FUNDING | To collect revenue to allow provision of services. | Rates, general purpose government grants and interest revenue. |
| LAW, ORDER, PUBLIC SAFETY | To provide services to help ensure a safer and environmentally conscious community. | Supervision of various by-laws, fire prevention, emergency services and animal control. |
| HEALTH | To provide an operational framework for environmental and community health. | Food quality, eating house inspection, pest control and child health clinics. |
| EDUCATION AND WELFARE | To provide services to disadvantaged persons, the elderly, children and youth. | Facilities for senior citizens aged care, infant, day care centres, pre-school; assistance to play group and other community services and development activities. |
| HOUSING | To provide and maintain staff housing. | Provision of staff housing. |
| COMMUNITY AMENITIES | To provide services required by the community. | Rubbish collection services, tip operation, administration of the town planning scheme, maintenance of cemeteries, storm water drainage maintenance, sanitation maintenance and environmental protection. |
| RECREATION AND CULTURE | To establish and effectively manage infrastructure and resource which will help the social being of the community. | Operation/maintenance of halls, Broome Recreation and Aquatic Centre (BRAC), various parks and reserves, beaches, library, museum and other cultural activities. |
| TRANSPORT | To provide safe, effective and efficient transport services to the community. | Construction and maintenance of streets, roads, bridges, footpaths and street lighting. |
| ECONOMIC SERVICES | To help promote the Council's economic well being. | The regulation and provision of tourism facilities, area promotion and building control. |
| OTHER PROPERTY AND SERVICES | To monitor and control Council's overheads operating accounts. | Private works and provision of unclassified civic building facilities. General Administration support for Council's operations, allocated to other functions. Engineering, works and parks and gardens management, allocated to construction and maintenance jobs. Plant and depot operation and maintenance, allocated to construction and maintenance jobs. |

| . FINANCIAL RATIOS | | 2018 | 2017 | 2016 | | |
|---|---|------------------------|------------------|---|--|--|
| Current ratio | | 1.64 | 1.61 | 1.14 | | |

TO THE COUNCILLORS OF THE SHIRE OF BROOME

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying financial report of the Shire of Broome (the Shire), which comprises the Statement of Financial Position as at 30 June 2018, Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and the Rate Setting Statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Statement by Chief Executive Officer.

In our opinion, the financial report of the Shire of Broome:

- is based on proper accounts and reports; and
- fairly represents, in all material respects, the results of the operations of the Shire for the year ended 30 June 2018 and its financial position at the end of that period in accordance with the Local Government Act 1995 (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Shire in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the "Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Preparation

We draw attention to Note 1 to the financial report, which describes the basis of preparation. The financial report has been prepared for the purpose of fulfilling the Shire's financial reporting responsibilities under the Act. Regulation 16 of the Local Government (Financial Management) Regulations 1996 (Regulations), does not allow a local government to recognise some categories of land, including land under roads, as assets in the annual financial report. Our opinion is not modified in respect of this matter.

Responsibilities of the Chief Executive Officer and Council for the Financial Report

The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair presentation of the annual financial report in accordance with the requirements of the Act, the Regulations and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards. The CEO is also responsible for such internal control as the CEO determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the State government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

MOORE STEPHENS

INDEPENDENT AUDITOR'S REPORT TO THE COUNCILLORS OF THE SHIRE OF BROOME (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives of the audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
 fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions,
 misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Shire's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the CEO.
- Conclude on the appropriateness of the CEO's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report, as we cannot predict future events or conditions that may have an impact.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and
 whether the financial report represents the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with the Council and the CEO regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

MOORE STEPHENS

INDEPENDENT AUDITOR'S REPORT TO THE COUNCILLORS OF THE SHIRE OF BROOME (CONTINUED)

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- i. All required information and explanations were obtained by us.
- ii. All audit procedures were satisfactorily completed in conducting our audit.
- iii. In my opinion, the asset consumption ratio and the asset renewal ratio included in the annual financial report were supported by verifiable information and reasonable assumptions.

Matters Relating to the Electronic Publication of the Audited Financial Report

This auditor's report relates to the annual financial report of the Shire of Broome for the year ended 30 June 2018 included on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.

10 October 2018

Cr Harold Tracey The Shire President Shire of Broome PO Box 44 BROOME WA 6725

Dear Cr Tracey

MANAGEMENT REPORT FOR THE YEAR ENDED 30 JUNE 2018

We advise that we have completed our audit procedures for the year ended 30 June 2018.

We are required under the Local Government Audit Regulations to report certain compliance matters in our audit report. Other matters which arise during the course of our audit that we wish to bring to Council's attention are raised in this management report.

It should be appreciated that our audit procedures are designed primarily to enable us to form an opinion on the financial statements and therefore may not bring to light all weaknesses in systems and procedures which may exist. However, we aim to use our knowledge of the Shire's organisation gained during our work to make comments and suggestions which, we hope, will be useful to you.

We noted no matters we wish to draw to your attention.

We take this opportunity to thank the Shire for their assistance provided during the audit.

Should you wish to discuss any matter relating to the audit or any other matter, please do not hesitate to contact us.

Yours faithfully

Greg Godwin Partner Moore Stephens
